

## Index to Volume 76 (January–December 2001)

### SUBJECTS

- A**
- AAMC.** See Association of American Medical Colleges
- AAMC Papers,** public confidence in integrity of clinical research, 209  
public support for medical education, 202
- Abbreviations,** 981
- Abington Memorial Hospital,** general surgery residency program at, 748
- Abortion,** student-initiated forum on (letter), 582
- Abstract,** review criteria for, 945
- Academic achievement,** Dean's letter on, Oct suppl S30
- Academic detailing,** and improvements in preventive care, 565
- Academic freedom,** and individual rights (letter), 1081
- Academic health centers,** clinical research at, program in, 403  
clinical research at, valuation and encouragement of, 700  
community partnerships, principles for, 151; 166, 1231 (correction)  
hospitalist model and, 324
- Academic interest,** measurement of, 157
- Academic issues,** and medical school-university relationships, 13
- Academic leadership,** and women's programs, 24
- Academic medical centers,** merger of, 675  
primary care compensation at, 693  
resident work hours and education at, 798  
and trials of intercessory prayer, 791  
women faculty at, ensuring success of, 19
- Academic medicine,** and genetic privacy issues, 1089  
in obstetrics/gynecology, as career choice, factors affecting, 628  
and public health, 866  
women in, mentoring programs for, 39
- Academic partnerships,** with community, effective, 166
- Access to care,** dental, 1187  
direct GME payments and, 443
- Accreditation Council for Graduate Medical Education (ACGME),** on accreditation requirements, 331  
on competencies for resident education, 753  
and residents' work hours (letter), 397  
on stress, 142
- Active learning,** in IGCP, Apr suppl S39
- Web-based,** 548
- Adams, Samuel Hopkins,** 240
- Administration,** tutorial in, 574
- Administrative systems,** changes in, recommendations for, 16
- Admission (process),** assured programs, 499  
criteria for, 1210  
criteria for, assessment of (letter), 107  
early, for underrepresented minority students, evaluation of, 1056  
innovations in, 499  
model of, 1207  
structured interview for, 66
- Admission committee,** 1210  
perceptions of letters of recommendation, 651
- Advanced registered nurse practitioners (ARNPs),** and resident workload reduction, 798  
training of, 801, 804t
- Advisory committee,** and IGCP, Apr suppl S21, Apr suppl S43  
recommendations for, Apr suppl S48
- Age,** of applicants to medical school, 832
- Age-based medicine,** instruction in, 1066
- Ageism,** in students' treatment recommendations, 282
- Akhter Mohammad N.,** 585
- Alcohol misuse,** education about, standardized patients in, 395
- Alliance leader model,** of medical school-clinical enterprise relationship, 117t, 118–119
- Alliance partner model,** of medical school-clinical enterprise relationship, 117t, 119
- Alternative dispute resolution,** 339
- Alternative medicine,** characteristics of, 663t  
definition of, 226  
electives in, 525  
errors of reasoning and, 230  
evidence on, 221  
evidence on, impossibility of, 1213  
evidence on, need for, 1221  
versus holistic medicine, 662  
instruction in, issues in, 224, 251  
instruction in, need for reform in, 248  
need for objective inquiry into (letter), 863  
scientific principles in development of, importance of, 238  
versus traditional medicine, 226  
unproven, popularity of, 230  
unwarranted acceptance of, 248  
unwarranted acceptance of (letter), 301
- Altruism,** workshop on, 506
- Ambulance trains,** 153
- Ambulatory clerkship,** 536
- Ambulatory medicine,** curriculum on, 563  
education, evaluation of, benchmarks for, 571  
education, for general internists, 565  
innovations in, 563  
residency requirements for, pair approach and, 569  
residents as instructors in, curriculum for, 571
- American Association for Accreditation of Laboratory Animal Care,** 110
- American Association for the Advancement of Science,** 762
- American Board of Internal Medicine,** Resident Evaluation Form, 92
- American Holistic Medicine Association,** 663
- American Indians,** health professionals, as instructors, 500
- American Medical Student Association,** and IGCP, Apr suppl S9
- American Society for Human Genetics,** 852
- Anesthesia,** residency in, patients' family feedback in, 554  
simulator assessment in, 1053
- Animal research,** regulation of, 110
- Anti-doctor backlash,** and popularity of alternative medicine, 232
- Anti-intellectualism,** and popularity of alternative medicine, 231
- Anti-scientific attitudes,** and popularity of alternative medicine, 231
- Applicant pool,** 1210  
longitudinal trends in, 829
- Appointments,** and medical school-university relationships, 11  
policies on, 993
- Area Health Education Center Program,** primary care preceptorship by, 489
- Arizona Clinical Interview Rating Scale,** 173
- Army,** medical students in, 85
- ARNPs.** See Advanced registered nurse practitioners (ARNPs)
- Assessment.** See also Evaluation;  
Standardized patients  
with anesthesia simulator, 1053  
of disability etiquette, 509  
of professionalism, 505  
for residents' assistance program, 148  
with retakes, classification accuracy for, Oct suppl S108  
Web-based, 550
- Association of American Medical Colleges (AAMC),** on animal research regulation, 110  
on genetics curricula, 852  
guidelines for dean's letters, effectiveness of, 727

Junior and Senior Women in Medicine Professional Development Seminars, 23  
Office of Women in Medicine, 19  
partnership with CDC, 866, 982  
**Association of Program Directors in Internal Medicine**, Resident Service Committee, on stress, 142  
**Association of Schools of Public Health**, 400  
**Assured admission programs**, 499  
**At-risk students**, identification of, basic science tests and, Oct suppl S48  
underrepresented minority, mentoring and, 1264  
**Attitudes**, to alternative medicine, causes of, 230  
to domestic violence, intervention and, 1045  
of faculty, to prevention, 722  
of students, on patient-doctor communication, 188  
of students, to age, 282  
of students, to patient-centered care, Oct suppl S42  
of students, toward chronically ill patients, 815  
to substance abuse disorders, 412  
on wellness, empathy, and spirituality, 520  
**Authority**, unified, 16  
**Authors**, review criteria for, 945  
**Autonomy**, and professionalism, 1023  
**Autopsy cases**, 530

## B

**Backlash**, to IGCP, Apr suppl S61  
**Basic science curriculum**, and IGCP, Apr suppl S33, Apr suppl S36, Apr suppl S61, Apr suppl S89  
interdisciplinary approach to, 1072  
subject tests in, and identification of at-risk students, Oct suppl S48  
**Behavioral sciences**, and medicine, 869  
**Behaviors**, on domestic violence, intervention and, 1045  
in history-taking, and diagnostic competence of clerks, Oct suppl S14  
**Beliefs**, on domestic violence, intervention and, 1045  
versus investigation, 1221  
**Bench-to-bedside paradigm**, 616  
**Benson, Herbert**, 231, 671  
**Berkeley Suitcase Clinic**, 524  
**Berkshire Medical Center**, termination policies at, 1107  
**Bias**, clinical case terminology and, Oct suppl S11  
in peer review, 955  
**Billing**, HCFA requirements for, and

teaching by attending physicians, 1144  
programs, and faculty documentation and productivity, 266  
programs, incentive plan and, 1094  
**Billings, John Shaw**, 427  
**Bioinformatics**, module on, 852  
**Biological dimensions**, of life-span development, 1017  
**Biomedical research**, DARPA and, 1178  
extraction of useful information from, 1265  
and medical education, 430  
**Biomedical scientists**, as experts in federal courts, 762  
PhD training for, issues in, 1005  
**Biopatents**, 684  
**Bioscientific orientation**, measurement of, 157  
**Biosocial orientation**, measurement of, 157  
**Birds**, research on, regulation of, 110  
**Body fluid exposures**, prevention of, teaching module on, 529  
**Bosnia**, medical students in, 85  
**Boston University School of Medicine**, Center of Excellence in Women's Health, 19  
Early Medical School Selection Program, 1056  
**B. Rappaport Faculty of Medicine**, trigger films at, 656  
**Breast-conservation therapy**, ageism of students and, 282  
**Brennan, William**, 687  
**Brigham and Women's Hospital**, PCP salary incentive program, 693  
**Brody, Jane**, 242  
**Bruce, T. A.**, Apr suppl S49  
**Burger, Warren**, 686

## C

**Canada**, patent law in, 684  
**Cancer**, drama on, 1116  
film on, 436  
of head and neck, 1185  
history of instruction on, 811  
**Canine therapy**, 399  
**Cardiac exam**, Web-based clinical curriculum on, 548  
**Cardiovascular disease**, periodontal disease and, 1186  
**Cardiovascular pharmacology**, Web-based PBL instruction in, 394  
**Cardiovascular physiology instruction**, patient simulation in, 534  
**Career decisions**, for faculty, in biomedical research, 431  
family issues and, for women, 456  
postgraduate, factors affecting, 317  
research on, Oct suppl S58  
timing of role-model choice and, 380  
**Career issues**, marketplace reforms and, 316  
of physician-educators in family medicine, 259  
of primary care physician-faculty, fellowship training and, 366  
**Career-related values**, of students, measurement of, 157  
**Cartesian dualism**, 224, 231, 1224  
**Case-based learning**, medical team format for, 527  
of perioperative medicine, 558  
using autopsy cases, 530  
Web-based, 548  
**Case conference**, telemedicine, 570  
**Case diagramming**, mechanistic, 385  
**Case simulations**, patient-management skills examination with, Oct suppl S24  
Web-based, 547  
**Case Western Reserve University School of Medicine**, Contemporary Learning in Clinical Settings course, 511  
family clinic program, 659  
and UME-21, 590  
**Case-writing course**, in PBL (letter), 108  
**CBT**. See Computer-based testing  
**CDC**. See Centers for Disease Control and Prevention (CDC)  
**Centers for Disease Control and Prevention (CDC)**, and emerging infectious diseases, 1086  
partnership with AAMC, 866, 982  
on racial and ethnic disparities, 584  
**Certification**, of generalist physicians, and patient mortality, Oct suppl S21  
goals and intentions of (letter), 107  
**Chairs**, choice of, departmental consensus and (letter), 759  
choice of, recommendations for, 1032  
clinical department, on women leaders in academic medicine, 453  
and IGCP, Apr suppl S88  
in merged system, 679  
**Character issues**, and admission, 1207  
**Charge data**, and diagnostic test ordering by residents, 635  
**Chemotherapy**, principles of, 239  
**Chief academic officers**, and clinical enterprises, 114  
**Child advocacy training**, in pediatrics residency, 561  
**Chopra, Deepak**, 231  
**Chronic facial pain**, 1184  
**Chronic illness**, attitudes toward, clerkship experiences and, 815  
education in, 567  
opportunities for AAMC-CDC partnerships, 982  
pediatric, rotation in, 568  
**Chronopharmacology**, 229  
**Churchill, Winston**, 1181  
**Clerkship directors**, in internal medicine,

- responsibilities and activities of, 715
- Clerkship preceptors**, in family medicine, prevention practice of, 722
- Clerkships**, ambulatory, 536  
and attitudes toward chronically ill patients, 815  
clinical competence in, assessment of, Oct suppl S99  
diagnostic competence in, history-taking behaviors and, Oct suppl S14  
in emergency medicine, evaluation in, 538  
in family medicine, personal digital assistants in, 534  
in family medicine, prejudice unit in, 508  
final examinations in, computer administration of, 835  
in internal medicine, effectiveness of intern teaching in, Oct suppl S8  
in internal medicine, evaluation of, Oct suppl S105  
online syllabi for, design standards for, 552  
in primary care, depression curriculum in, 535  
in primary care, longitudinal, 484  
in primary care, Web-based case simulations for, 547  
restructuring, UME-21 and, 591  
Web site for, 542
- Clinical cases**, terminology in, biasing effect of, Oct suppl S11
- Clinical competence**, in clerkships, assessment of, Oct suppl S99  
development of, standardized patient assessment and, 856
- Clinical education**, Web-based, 548
- Clinical enterprises**, partnership with medical schools, organizational models for, 113
- Clinical experience**, early, IGCP and, Apr suppl S38, Apr suppl S49, Apr suppl S68
- Clinical faculty**, appointment, tenure, and compensation policies for, 993
- Clinical features**, identification of, diagnostic suggestion and, Oct suppl S18
- Clinical informatics**, instruction in, 541
- Clinical integration**, 675  
levels of, 680t, 681f-682f
- Clinical medicine**, partnerships with public health, 1086  
self-directed curriculum on, 545
- Clinical performance exercise**, on complex psychosocial skills, for medicine-pediatrics residents, 1153
- Clinical research**, AHC program for, 403  
public confidence in, 209  
training approaches to, 307  
valuation and encouragement of, 700
- Clinical Research Support Office**, 407
- Clinical science education**, innovations in, 534
- Clinical skills**, electronic learning portfolio for, 542  
instruction, for first-year students, 1065  
training location and, 384
- Clinical skills assessment**, and medical school ranking, 990  
performance on, curricular change and, 173
- Clinical teaching**, call for recommitment to, 1114
- Clinical training**, persistence of cognitive benefits of PBL in, Oct suppl S84
- Clinical trials**, of alternative medicine, 1221  
history of, 239  
of intercessory prayer, 791
- Coalition leader model**, of medical school-clinical enterprise relationship, 117t, 120
- Coalition partner model**, of medical school-clinical enterprise relationship, 117t, 120-121
- Code status**, discussion of, workshop on, 560
- COGME**. See Council on Graduate Medical Education
- Cognitive benefits**, of PBL, persistence of, Oct suppl S84
- Cognitive dimensions**, of life-span development, 1018
- Cohen, Jordan**, 110
- Collaboration**, curriculum on, 612  
definition of, 151  
in IGCP, Apr suppl S10, Apr suppl S32, Apr suppl S74  
institutional, Apr suppl S55  
of internal medicine residency program and federally qualified health center, 1159  
medical student learning groups, 503  
at national level, Apr suppl S43  
on preconception health curriculum development, 522  
on Web-based primary care education, 549
- Collaborative Center for Child Well-Being**, 7
- Columbia University College of Physicians and Surgeons**, 987
- Commitment**, to change, signature and, 642  
and IGC, Apr suppl S3  
to service, 1023
- Communication**. See also Doctor-patient communication  
in clerkships, Web site for, 542  
curriculum for, 511  
essential elements of, 390  
in IGCP, Apr suppl S29, Apr suppl S34  
patient-doctor, student attitudes and self-efficacy on, 188  
of scientific information, workshop on, 531  
in women's health care, instruction in, 509
- Communication skills**, instruction, in pediatrics residency, 515  
in Internet era, 341  
patient satisfaction with, Oct suppl S77
- Community-academic partnerships**, 166, 1231 (correction)  
administrative relationships and, 184  
immunization program, 195
- Community-based medicine**. See also Population-based medicine  
hospice rotation, 564  
innovations in, 563  
pediatrics, 568  
primary care preceptorship projects in, 1076  
psychiatry instruction, 563  
training in, and skills outcomes, 384  
WWAMI program and, 772
- Community capacity**, strengthening, 170
- Community health assessment skills**, instruction in, problem-based, 88
- Community leader model**, of medical school-clinical enterprise relationship, 117t, 121
- Community-oriented primary care**, 88
- Community participation**, as learning opportunity, 195
- Community partner model**, of medical school-clinical enterprise relationship, 117t, 121
- Community partnerships**, AHCs and, effective, 166  
AHCs and, principles for, 151
- Community Partnerships Program**, W. K. Kellogg Foundation, Apr suppl S15  
W. K. Kellogg Foundation, experience with, 134
- Community preceptors**, administrative relationships with medical schools, 184
- Compassion**, cultural sensitivity and, 76
- Competencies**, for community responsiveness in family medicine, measurement of, Oct suppl S80  
for emerging practice environment, 606  
for managed care, 606  
for resident education, assessment of, 753  
of twenty-first century physicians, 1070
- Competency-based curriculum**, in oral health, 1191
- Competency-based evaluation**, 538
- Competition**, value of, questioning, 345  
value of, questioning (letter), 1082
- Complementary medicine**. See Alternative medicine
- Complexity**, unfolding, 35
- Compromise**, in community-academic partnerships, 169
- Computer-assisted instruction**,

- administration of open-ended test questions by, 835  
longitudinal evaluation of, 1136  
UME-21 and, 593
- Computer-based testing (CBT)**, item pool for, development of, Oct suppl S111  
on patient-management skills, Oct suppl S24  
on USMLE, factors affecting, Oct suppl S114
- Conceptual framework**, review criteria for, 923
- Conclusion**, review criteria for, 942
- Confidentiality**, in peer review, 954  
in residents' assistance program, 148
- Conflict of interest**, 210  
curriculum on, 874  
and life-span development, 1023  
in peer review, 955
- Conflict resolution**, at University of Ottawa Faculty of Medicine, 337  
at University of Ottawa Faculty of Medicine (letter), 1081
- Continuing medical education**, commitment to change in, signature and, 642  
importance of, 614
- Continuous quality improvement projects**, 593
- Control**, value of, questioning, 345  
value of, questioning (letter), 1082
- Conviction**, and IGC, Apr suppl S3
- Corporate restructuring**, 13
- Corrections**, RIME article, 180  
University of California, Davis  
curriculum change, 292  
Web site rating instruments, 38
- Cost issues**, in residents' assistance program, 149
- Council of Deans**, Project Committee on Increasing the Number of Women Leaders in Academic Medicine, 19
- Council on Graduate Medical Education (COGME)**, and IGC, Apr suppl S11, Apr suppl S14
- Counseling**, short-term, in residents' assistance program, 148
- Court Appointed Scientific Experts**, 763
- Cover art**, alchemist symbol "To Take," Oct.  
*Clothilde*, July  
*The Doctor of the Poor*, December  
*18 Dog Night*, May  
*Filling the Icehouse*, Jan.  
*Gray and Gold*, Aug.  
*mandrake*, March  
*Salt-Cobalt*, April  
*Screened Porch*, June  
*Station Stop, Red Cross Ambulance*, Feb.  
*Subway*, Sept.  
*Wash Day*, Nov.
- Cover notes**, alternative medicine, 229  
ambulance trains, 153  
canine therapy, 399  
ice, 5  
knitting, 671  
laundry, 1085  
salt, 351  
screens, 583  
signs and symbols, 981  
social contract, 1174  
social sciences, 869  
telephones, 761
- Craniofacial birth defects**, 1184
- Creativity**, and IGC, Apr suppl S3
- Credentialing**, and public health, 401
- Critical care research**, by authors from U.S. institutions, decline in, 1261
- Critical thinking**, and alternative medicine, curriculum on, 248  
education, 531  
education, on pharmaceutical promotion, 1271
- Croatia**, medical education in, war and, 82
- Cultural competence**, assessment of, with standardized patient station, 76  
cultural immersion and, 512  
innovations in, 512  
instruction in (letter), 1  
with international medical graduates, 43  
literature on, 620  
and oral health care, 1187  
pediatrics residency rotation on, 514
- Cultural context**, of life-span development, 1019
- Cultural issues**, and popularity of alternative medicine, 231  
as stressors, 146
- Cumulative advantage**, principle of, 989
- Curcumin**, 245
- Curricular change**, and clinical skills performance, 173  
experience of, 134  
IGCP, Apr suppl  
recommendations on, IGCP and, Apr suppl S140  
on substance abuse disorders, lack of, 411  
UME-21 Project and, 587
- Curriculum**. *See also* Problem-based learning
